THE RESILIENT LEADER'S TOOLKIT!

Build Resilience. Learn. Take Action.

The Toolkit is a flexible, self-guided resource designed to support both personal growth and collective resilience. Whether you are developing your own skills or leading others, it offers practical tools to strengthen resilience at every level.

1. **Learn flexibly** - Access a carefully curated online toolkit and explore content at your own pace, anytime, anywhere.
2. **Apply and act** - Discover new ideas, strengthen your resilience, and turn insights into meaningful, real-world action.

THE RESILIENT LEADER'S TOOLKIT

LEADING YOUR ORGANISATION THROUGH A PERIOD OF RAPID CHANGE

Funding pressures. Sustainability challenges. Recruitment and retention struggles. Team motivation.

Third sector organisations and social enterprises are navigating increasing complexity — both internally and in the wider environment. This toolkit helps you reflect and take practical action to build your personal resilience and become a flexible, steady leader in your organisation.

WHO IS IT FOR?

This Toolkit is for Social Enterprises and Not-for-profit organisations in Scotland who want to reflect on and develop their resilience and leadership in a time of complexity and crisis.

WHAT WILL YOU GET OUT OF THE PROGRAMME?

- A DEDICATED TOOLKIT
- PRACTICAL IDEAS AND TIPS FOR BUILDING YOUR PERSONAL RESILIENCE
- APPLY INSIGHTS GAINED TO YOUR OWN ORGANISATION
- REFLECTION ON YOUR LEADERSHIP AND STEPS TO HELP YOU TAKE ACTION

PROGRAMME DETAILS

After registration you will be given access to the programme materials on the Social Enterprise Academy's Online Learning Platform.

Toolkit includes:

- Downloadable personal resilience measurement tool
- Circles of control exercise
- 10 ways to build your resilience tool
- Ways to shift your focus tool

COST:

This programme is **fully funded** by Scottish Government through Just Enterprise
